1 Best foot forward ★★★★★

Organic Foot And Leg Balm £28.55, Inlight (www.inlight-online.co.uk). This potion is best for the end of the day, as it takes a while to soak in. The combination of rich moisturiser and zingy scent gives those tootsies and legs a real boost.

2 Double trouble ★★

Instant Foot Callus Treatment, £14.99, The Sanctuary Spa at Boots. With a pair of latex gloves, treatment gel, four sticky pads and foot scraper, this is a bit of a performance for not very impressive results. Feet felt smoother, but not enough to be tempted to go through the whole palaver again. Treat yourself to a salon pedicure instead.

3 Rub-a-dub-dub ★★★★★

Hands And Feet Gentle Scrub £15, Melvita, at selected John Lewis stores (0131-556 9121). Although this has the sickly sweet smell of lollipops, it mixes up into a lovely thick paste and is very easy to apply. Although you only need to massage the scrub for a minute, the effects are exceptional. Dry skin had been removed and usually rough parts are much softer.

4 Last one standing ★★★

Sole Survivor Foot Cream, £13.50, Bombshell Body at www.julusplace.co.uk. Once you get past the sugary pink packaging, this is a lovely, rich lotion with a soothing scent of eucalyptus. While we haven't seen any of the promised "callus busting" effects, we love it as a night treatment.

5 Perfect plates ★★★★★

Powder Finish Foot Crème, £23, Butter London at DollyLeo (www.dollyleo.co.uk). This lightly scented cream works miracles: as well as moisturising your feet, it gives them a delicate, powdery dryness that is ideal for days when you want to go without socks. Even after trotting about in the heat, feet were fragrant and soft.

6 Twin set ★★★

Mini Duo Box With Pumice Foot Scrub And Comfrey And Mallow Foot Balm, £8.70, Neal's Yard Remedies (0131-226 3223). The granules are too small for this to make much difference on gnarly, toughened skin. The foot balm is a lightly fragranced lotion that soaks in easily. Thanks to the packaging, which reverses to become wrapping paper, it makes a cute gift.

SureSlim®
WEIGHT LOSS AND WELLNESS CLINIC

has your swimsuit got you worried?

Don't run to the hills when you should be heading for the beach! SureSlim offers a medical approach to ensure you lose pounds and inches quickly and permanently. Not only do you end up looking great, you feel fantastic too and the weight loss is guaranteed.
